Advertisement for Junior Research Fellow (JRF)..

Applications are invited for Junior Research Fellow (JRF) in the Department of Electrical Engineering, MNIT Jaipur for a research project entitled "**Design & Development of Advanced Control Techniques for Multi-functional Inverter Based Grid-tied Solar Energy System**" sponsored by Department of Science and Technology (DST), Government of Rajasthan, Jaipur.

The selected candidates can opt for PhD program announced by MNIT (Twice a Year) in case they are interested in pursuing PhD at MNIT as per provision in the above work area.

All essential & desirable qualification with other information regarding JRF are mentioned in Advertisement.

Advertisement of above position is available on <http://www.mnit.ac.in/> under Vacancies tab, or information can be obtained from the following link.

http://www.mnit.ac.in/news/news.php?news_id=2118

Interview will be held tentatively in the mid of September 2017 in the Electrical Engineering Department of MNIT Jaipur. For any further information, the applicants may contact to Principal Investigator (PI).
